Club Fitness Checkup

How fit is your club?

Weighing in on the light side? Weekly meetings lacking energy? District 101 has a plan to help!

The Club Fitness Checkup is a short-term program that connects clubs with experienced Toastmasters to explore the winning strategies of *Moments of Truth* – a tool proven to raise the bar on club quality and achievement.

- **Is your Club in need of revitalizing and rediscovering what makes a club successful?**
- **Are you an Advanced Toastmaster interested in facilitating the *Moments of Truth* at a neighboring club?**
